STATUS INQUIRY

SIR:

Applicant respectfully requests to be advised when issuance of a new Patent Office action may be expected.

The recent history of the application is that a Patent Office action was mailed on July 15, 2004. However that action was defective in that it addressed only claims 1-30 which had been cancelled in the Preliminary Amendment filed on July 28, 2003 and did not address new claims 31-82 added in the same amendment.

During a telephone interview kindly granted by Examiner Coffy with the undersigned in August 2003 regarding the status of the application, the Examiner agreed to withdraw the action in view of the error and to issue a new action. During a follow-up telephone call on July 8, 2003, Examiner Coffy kindly confirmed that he would issue a new action. Applicant looks forward to early issuance of same, and noting that the application is over four years old trusts that due deference will be given to the application's seniority.

BEST AVAILABLE COPY

If for any reason the Examiner feels that consultation with Applicant's representative would be helpful in the advancement of the prosecution, he is invited to call the telephone number below for an interview.

Respectfully submitted,

By:
